- **Heating:** Eberspacher D5L

# Fairline Fairline Sedan 41/43

## Broker Remarks

Fairline Sedan 41/43 for sale. Really, really nice example of this flybridge motor yacht that looks much younger than her age. Benefits from being well looked after in her generous ownerships. Plenty of space to accommodate guests. Comfortable saloon and well laid out galley. She will sleep five in three cabins including the saloon, in a double and three single berths. Teak decks, new carpets, curtains, worktops and marine equipment have been replaced in recent years. She is powered by two Caterpillar 375hp diesel engines and has a top speed of approximately 140 knots. She was built in 2010. BLUE with white hull. She has a white canvas enclosure over the bow and cockpit area. We are happy to recommend her to you.
