- Washbasin
- Fresh water electric Jabsco marine quiet flush toilets
- Corian worktops

Day Heads:

- Jabsco manual salt water marine toilet
- Washbasin
- Shower

Remarks :

This Northwind 62 is a superb blue water cruiser, with a wonderful bright and spacious

interior thanks to its popular deck saloon arrangement. Built by North Wind Yachts but often mistaken for an Oyster 62, and designed by Marcelo Penna. She has a stunning cherry wood interior, and 3 en suite cabins plus a crew cabin. She has been maintained to a very high standard by her current owners, with many updates in recent years including replacement teak decks, and overhaul of her rig and sail wardrobe. Her extensive inventory includes just about everything that is needed for long passage making. Cutter rig, Bow thruster, Air Conditioning, diving compressor, washing machine, water filtration system, transom garage for RIB, passerelle and Bimini etc. QUADRILLE OF THE ISLES would be ideally suited as an owner operated charter boat perhaps, or for a large family or friends to go wherever the wind blows.
