Broker Remarks

Formula 292 FasTech, designed by Jon Adams and built by the multi award winning Formula Boats, who are renown for their excellent build quality and attention to detailing. This 2004 built boat, first launched in 2006, has been very well maintained by her previous owner and is in immaculate condition. She is a high performance luxury boat powered by twin Mercruiser 350 Mag petrol engines, has power assisted steering, Bennett hydraulic dual ram trim tabs and is capable of reaching speeds in excess of 70mph. She has the custom designed FASTech multiplane hull for enhanced speed and stability which is exclusive to Formula. The helm features adjustable racing-style bolster seats and footrests for optimal lumbar and leg support, a backlit dash panel displaying gauges in polished red and stainless steel domed bezels, tilt steering wheel, illuminated waterproof rocker switches, dash mounted stereo remote control, 4 marine grade 3-way speakers and courtesy lighting. The cockpit area is fully carpeted and there is plenty of deck stowage space with side compartments in the cockpit, a glove box with vanity mirror on the dash, and comfortable, sculptured aft seating with storage under. The aft area has deeply padded seating for 4 with a large sunpad over the engine hatch and transom shower. The cabin is accessed through a lockable sliding door. Lounge seating is upholstered in Ultraleather with pillows accenting the exterior graphic colours. An entertainment centre housing a Kenwood AM/FM Stereo Radio/CD player, stainless steel sink with on-demand water and a carbon monoxide detector. Ultraleather double bow berth. She comes complete with a bimini top, cockpit cover, custom winter cover and a US specification 6 wheel aluminium launching trailer. With her sleek looks and throaty exhaust, she is a real head turner on the water. Available to view now at our Pwllheli office, please call for further information or to arrange a viewing, we are open 7 days a week
