Remarks :

We are thrilled to offer to the market this Nelson 49, in absolutely A1 condition having been looked after by a very careful owner and designed to be both practical and flexible, built as two of a kind by Bucklers Hard Boat Builders in the UK.

Finished in a soft wood finish throughout, with wooden decks she offers plenty of usable interior and exterior space for the owners with a large owners cabin the bows and twin aft cabins. The saloon offers a wonderful seating position underway or at anchor and below decks or in the cockpit there is another two large lounging areas with a well proportioned galley.

Her hull is finished in wood effect with blue paint to the forward section, a real head turner at any anchorage she is a truly classy and attractive boat.

Part exchange considered and finance available.
