## **Remarks :**

**Beneteau Oceanis 393 ( 3 cabin version)** We are pleased to offer for sale this Oceanis 393, this boat has been well looked after and is in great condition, this well equipped yacht is well fitted out with full helm electronics including GPS & Autopilot and electric windlass.

We have recently sold her and the new owner simply found the yacht to be larger than he felt comfortable with.

She is a big 40 footer with lots of space inside and out. The forward cabin features an en suite heads and shower.

New batteries were fitted and any minor issues were repaired before she sailed to North Eastern Greece where she can be viewed afloat now.
