Remarks :**Broker Remarks**

The designer of the Hunter 41DS Glen Henderson was aiming for stability, speed and responsiveness, Which has created a great performing boat. The 41DS works well in light and heavy winds, always allowing a steady and smooth passage. Below deck there is a light and airy feel, with an impressive 6.10ft headroom. She has 8 berths within 3 cabins, 2 heads and an extensive array of equipment.

Antifouling completed annually (2017 Spring)
Engine Serviced annually (2016 Winter)
Main Changed (2014)
