Viewing by appointment- owners are cruising locally for a short cruise.

OWNERS COMMENTS/HISTORY
We have owned Sum Cuique since 2006, we purchased her in Dartmouth and sailed her down to the Med. via the French canals. She was perfect for this. She has also proved to be capable in all weathers including offshore.
We have found her to be a very comfortable liveaboard catamaran. We have decided to sell as our plans have changed and we wish to do other things.
