Remarks :

The **Hallberg-Rassy 42F** is a contemporary cruising yacht which embodies the builder's expertise with the design skills of Germán Frers. The hull was designed for its seaworthiness and to give good sailing, the end result being a superb cruising yacht with sparkling performance which is a pleasure to sail and will give pride of ownership indefinitely.

Known far and wide for their sturdy construction, superb craftsmanship and signature seaworthiness, this easy to handle Germán Frers designed **Hallberg Rassy 42F** is globally respected for its elegant lines and spirited performance.

Orplid is a very fine example of these Blue Water cruisers. Some navigation equipment is a little dated but apart from that she is really good condition. One owner from new.
