

Custom Built SeaFinn 411

Year: 1989
Location: Lefkas, Greece
LOA: 43' 4" (13.20m)
Beam: 11' 9" (3.58m)
Draft: 6' 1" (1.85m)

Remarks:

This SeaFinn 411 is a custom built boat and is reluctantly offered for sale. An ideal boat for a family or a small business, it is perfect for inland to the very demanding sea conditions at home in the Mediterranean.

Remarks :

This **Seafinn 411** has been lovingly cared for by it's present owner for many years and is reluctantly offered for sale. An ideal live aboard boat she is built for both hot and cooler climates. Built in Finland to the very demanding standards dictated by the cold northern climate the **Seafinn 411** is equally at home in the Mediterranean.
