Remarks :

Bavaria 36 Cruiser (2011) 3 Cabin .

Brilliantly designed by Farr to maximize interior volume and a spacious cockpit, by carrying the beam well aft, the new Cruiser 36 has a fantastic look and feel. Below decks, the headroom immediately impresses, as does the L shaped starboard galley and spacious salon seating around a proper salon table. On deck, reefing the sails can be swiftly executed by a single-handed sailor whilst under sail. Really added value to this boat is the folding bathing platform introduced in models from 2011, really useful and very practical.

Features:

- folding wheel
- solar panel
- new sails Quantum 2016.
