Remarks :

This one owner since new **Beneteau Oceanis 473** has just been lifted out of the water for storage following a successful summer sailing cruise. Her owners are reluctantly putting her for sale after many years of happy sailing both in the Atlantic and the Mediterranean. Much of her electronics were replaced in 2015 and this much loved yacht is ready to go. The 4 cabin layout allows plenty of space for friends to share your sailing enjoyment and the spacious saloon is ideal for entertaining.
