Remarks :

**Lagoon 410 for sale Preveza Greece.** Designed by Van Peteghem and Lauriot-Prevost with comfort and ease of handling in mind. Kristin hosts four ensuite double cabins a large saloon

and lots of exterior space for entertaining. This particular Lagoon 410 has been maintained by a professional technician who has carried out weekly checks/services on the engines and ensured that any system that needed changing/updating was taken care of.

The Lagoon 410 is in good condition overall.

A small fracture in the mast was highlighted during a recent insurance survey and this will likely mean the mast requires replacement. Also, this would be an opportunity to replace the standing rigging.

The price has been adjusted to more than allow for this.
