Remarks :

Wauquiez 47 PS: She is in exceptional condition and well cared for by her current owners, the Wauquiez 47 breaks the mould when large yacht brands are running along similar lines the Wauquiez 47 has a feel of refinement not often found in modern boats, on deck you have all-electric winches making sailing as a couple much easier without the need to winch, the cockpit offers a feeling of security added to this the wide side decks make navigating the boat comfortable. Below decks you find a level of quality which speaks volumes, the woodwork is varnished to a high level and the fittings feel well thought out. The aft cabin is large with a walk around bed and a well thought out en-suite plus vanity station. Forwards you find another large cabin plus a bunk room perfect if you wanted to bring a crew aboard.

Viewing highly recommended.
