Island Packet 420 for sale. This powerful cruiser from Island Packet fits all the innovations above and below deck that the brand is known for, making the 420 feel tailor-made for a cruising couple. The interior has a large open feeling not found on many boats with two large cabins that both have ensuite heads, airconditioning and heating make your stays aboard more comfortable year-round. Above decks, the cockpit feels nice and secure whilst also large enough for socialising in the harbour. The addition of a 220 electrical system to the original 110 means that you could easily sail Carribean waters without worrying about your electrical needs, added to this the VAT and US sales fee being paid makes the transition between countries much easier.

Viewing is highly recommended on this great example of the Island Packet range
