This trawler 39 is a good choice for anyone looking for a home in the sun, the twin Ford engines give a comfortable cruising speed of 7 Knots perfect for exploring remote Greek islands. The large flybridge makes passages a pleasure and relaxing in the harbour at the end of a days cruising enjoyable, as the elevated position gives you a good view of the harbour whilst also giving a feeling of privacy. Below decks, there are two ensuite cabins both with electric toilets and a central saloon with all-round views from the large windows.

The boat whilst in a good general condition is showing her age in places and would suit someone who is happy to put a bit of work into getting her updated the teak deck is in need of TLC and some of the interior woodwork needs sanding back down and varnishing, the engines are reported to be in good working order having been on the water last season.
