Remarks :

Ontario Yachts 32 Cruiser.

Yeoman is a lovely example of the popular Canadian cruising sloop built by Ontario Yachts (in partnership with C&C Designs).

Hull finish is very good, retaining its original cream gelcoat. Decks are excellent as is the clean interior.

Yeoman represents great value in a strongly built, well-designed cruiser.

A classic cruiser that has been much loved and well maintained. Must be seen to appreciate!

OWNERS COMMENTS

"She is a lovely Bluewater cruiser that can hold her own in deep seas as well as idyllic Mediterranean bays, having already made two Atlantic crossings both East to West 2007 and 2013."
