The owner has been loved and upgraded over recent years including re-engined with a new Volvo Penta D2-40 in 2018.  
She is ready to cruise anywhere in the world.

Noray 38 have also gained a deserved reputation for being extremely quick, Noray 38's have won the Round Ireland race twice, come second in the Fastnet and first in the AZAB. She will do very well on the classic racing scene being faster and better handling than a Swan 38 for instance. She was designed by Javier Visier to be better than the Swan 38 and this has been achieved.
