- Stereo
- TV

Remarks :

Beneteau Cyclades 43 (2007). Spacious popular cruising yacht, perfect for family sailing. Designed by Berret-Racoupeau and built by Beneteau, the Cyclades 43 focuses on functionality and spacious living.

On deck, the large cockpit with **dual helm positions** provides comfort whether sailing or simply moving around the boat. The cockpit has been designed to make this yacht a delight for open-air dining, but functionality has not been overlooked with Genoa winches located near to the helm, making manoeuvring under sail as simple as possible.

Down below, the layout features 3 cabins all with en suite head compartments. The practical linear galley to port has ample work surfaces and sits comfortably opposite the spacious U shaped saloon. There is plenty of well thought out storage space throughout the yacht and generous capacity for both fuel and water mean increased comfort whilst on board.

**** PRICE JUST REDUCED ****

Brokers Comments: The Cyclades is Beneteau third range, after the Beneteau First and Oceanis ranges. The hull has a lot of volume, the effect of a lot of freeboard and flare in the hull sides. The rig adopts more desirable characteristics of current racing rigs. The mast is deck-stepped with its load taken by the compression post below. The sail area/displacement ratio is on the money for a cruising boat of this size. Below this boat is

functional, there are three cabins, each with its own en-suite. There is a full navigation area a real showpiece of the Cyclades range.
