- Dometic Moonlight Two - 2 Burner, Oven & Grill
- Twin Galley Sinks
- Refrigerator: Isotherm
- Water System: Both Manual and Pressurised
- Hot water
- Stereo
- TV

Remarks :

Lagoon 410 S-2 Privately owned and VAT paid. Designed by Van Peteghem and Lauriot-Prevost with comfort and ease of handling in mind.

Lagoon introduced the **Lagoon 410-S2** in 2004. The newer S2 version has even more standard equipment.

All primary sail control lines, including the main halyard and reefing lines are brought back to the cockpit where the addition of an electric winch increases the ease, efficiency and safety of handling mainsheet loads.

Movement between the steering station, the cockpit and the main salon remains free and open. The large chart table with a navigation station, the immense salon with a panoramic view and the large L-shaped galley make the 410-S2 a comfortable yacht for island hopping or world cruising.

She is a privately owned 4 cabin, 4 head version with lots of exterior space for entertaining.
