Lagoon 410 catamaran

A nice example of the popular Lagoon 410. catamaran has been cared for properly by the current owners since 2011 and is a credit to them. Four cabins, two heads.

Two owners and always private, this is a very nicely maintained catamaran.

She could be considered a classic catamaran. With only 280 units built they are widely sought after for their easy of use and comfort. Always in demand this particular example is very well specified.

The Lagoon 410 has plenty of usable deck space perfect for lounging or relaxing while sitting. The cockpit is set on the catamaran's rear and there's a bimini that provides effective protection from the sun.

The interior of the Lagoon 410 cat is as comfortable and cozy. The saloon, which can be accessed via a wide doorway, features a premium seating space with a double bench seating around the table

Full details are in the specification section but her highlights include:

- Two owners always private
