- Refrigerator: Large – Run by Compressor on Solar
- Water System: Pressurised
- Hot Water: Calorifier Not Fitted
- Stereo: Radio & CD

Remarks :

This **Moody 33 MK1** is a centre cockpit cruising yacht with a surprising amount of accommodation; making her a very good starter boat for a young family or experienced sailors looking for something smaller that's easier to handle.

With plenty of volume in the ends both the sleeping cabins are spacious, as is the heads

between saloon and fore cabin. She has a spacious saloon with a large dinette facing a longitudinal galley. The after cabin (accessed via the cockpit) has two single bunks and is ideal for children with generous stowage of its own.

While many do not consider this model to be a particularly fast sailor, the owners of this **Moody 33** have won the local Regattas (in her class) multiple times over the last few years.
