Remarks :

The **Beneteau Oceanis Clipper 411(1996)** a very popular cruising yachts of this size from **Beneteau**.

Much sought after on the second-hand market. The **Oceanis 411 Clipper** is a good-looking yacht with a long waterline and a well-proportioned deck. With a spacious "en suite" Owner's cabin forward and 2 identical double cabins aft . The galley is on the port side, well fitted and with plenty of storage room. Her comfortable interior layout makes these models particularly sought after for family cruising and are also very successful charter boats. An impressive feature is the large cockpit, with a decent sized central table that makes it easy to brace yourself in position when the boat is well heeled and is great for alfresco dining. Walk-through transom that is ideal both for swimming from the boat when the weather allows and for safe boarding from a dinghy.

Easily handled, moderately fast boat with a very nicely finished interior, big enough for long

passage making.

Highlights listed below but also included in the full specification:

- * EU VAT paid
- * Volvo D2 60 HP Engine
- * Aluminium Arch /davitts
- * Solar panels
- * New batteries (2021)
