Remarks:

This Hanse 470 is a high performance cruising yacht with clean lines and uncluttered teak decks. All the halyards and sheets are led aft to the primary electric cockpit winches for ease of handling. She has a Selden rig which has an excellent internal pulley system fitted in the boom, this makes for very smooth and efficient reefing operations. Moulded in 2009 and built in 2010, she has an excellent equipment inventory.
