Accommodation

INTERIOR/DOMESTICS

- Main saloon plus self-contained cabins fore and aft each with their own heads compartment.
- The saloon seats four in comfort and the table lowers to facilitate an additional double bed. The settee can be used as a single berth with a lee board for extra comfort. There is ample eye-level storage (all lined) and cavernous under berth storage. Half sized chart table to starboard with forward facing seat and conveniently sited instrumentation and chart light
- Galley features twin stainless sinks
- Force Ten two burner cooker with infra-red grill and oven
- 12v fan plus extractor fan
- screened deck hatch and opening portlight
- Waeco Coolmatic 80 litre upright refrigerator with small freezer compartment
- The forward cabin (with en-suite heads) has a large v-berth, eye-level storage and good volume under berth stowage (partly lined). There are two lined hanging lockers (one is currently converted for use as a capacious bo'sun's locker) plus lockers for toiletries etc. Wrap-around shower curtain in heads. Large screened deck hatch and access hatch to chain locker
- The aft cabin and en-suite heads compartment is a real feature of this boat. Large double bed, ample clothes storage with a good-sized hanging locker (lined) plus five waist-level clothes lockers, under berth stowage and a small dressing table. Lots of shelving with book racks port and stbd. Six opening port-lights and large screened deck hatch. The mattresses (new in 2018) are mounted on Froli Star suspension and ventilation systems. Two 12v fans with convenient remote switches for comfort. Engine room door for day-today engine access

- Hot and cold water with accumulator tank serving both heads and the galley
- Cold water and sea water outlets in the cockpit for deck wash and showering
- Hot water is provided by a 240v 25 litre calorifier which also has engine heat-exchanging
- In the galley there is a dedicated tap fed through a Nature Pure Ultrafine Purifier providing safe, taste-free drinking water from the tanks
- Each heads has a Jabsco manual toilet and a custom made Tektanks holding tank with a total capacity of 140 litres

Remarks :

Trintella IV Centre Cockpit Ketch. Built at Tyler Boat Works in England with teak cabinetry finished at Anne Wever Boatyard in Holland. This **Trintella IV** is well equipped and a practical passage maker. This offshore veteran comes complete with all the electronics, an excellent sail inventory, a huge amount of storage space and creature comforts for safe and memorable cruising.

The current owners have been living aboard since 2009, but have now decided they need a change of pace.

Don't pass on this fantastic blue water pedigree!
