- \* Volvo 55 HP Engine low hours
- \* Anti fouled and ready for the season

Excellent opportunity to get a decent spacious yacht for a good price.

Currently she is afloat at Lefkas, Greece. Viewing is recommended through Network Yacht Brokers.

**OWNER REMARKS:**

After a long search I found Gaia and bought her in July 2017 and have enjoyed 6 seasons of trouble free sailing mainly in the Southern Ionian area. We have also ventured further afield with a return crossing to Sicily and a round trip taking in Crete and the Cyclades. Gaia has exceeded our expectations providing comfort and safety in an easy to handle yacht even in demanding conditions.

She has been professionally maintained by Vliho Yacht Club during my ownership with many cosmetic and practical enhancements. With her new Vitron solar panels (2022) she is pretty much power independent.

**Recent works and improvements**

- Full certified engine re-build 2022
- Sail drive seal changed 2019
- New Oscualti Foldable 2100 mm Aluminium passerelle with rails
- New Teak (Permateak) in cockpit area 2021
- New rails 2021
- New water boiler 2018
- Lights replaced with LED lights.
- New Victron solar panels 2022
- 4 X 120 Ah AGM batteries 2019

- New bow thruster battery 2023
