### Remarks :

The **Moody 425** has become somewhat of a modern classic. A Bill Dixon design that evolved from the Moody 422. Like other models in Moody's range of family cruisers, it offers spacious accommodation including a huge master bedroom in the aft of the yacht, a good size double berth in the bow and twin passage berths between the saloon and aft cabin which can be closed off to form an additional guest cabin if required.

She has a snug and safe center cockpit and a clean functional deck layout. The simple, but robust, double-spreader masthead rig was fitted with in-mast furling as standard from new.

Her hull lay up is tough, durable solid laminate constructed to Lloyds specifications. The deck hull joint is through bolted and all the internal bulkheads are glassed in place. The rudder is semi balanced partial skeg.

A comprehensive inventory of cruising, domestic equipment and many spares and tools . included in the sale of this **Moody 425**.

Highlights listed below but included in the full specification:

\* Mitsubishi -Sole Diesel-60hp (2004)

\* Current private owner since 1994

\* EU VAT pad
