Accommodation

This is the more practical four cabin version of this excellent off-shore cruiser, complete with an en-suite for each of the cabins. It's fully equipped for long term cruising and features beautiful cherry wood throughout. The entire Raymarine electronics were replaced in 2019 as was the 12v switching system to the more reliable Mastervolt system.

STARBOARD HULL

Starboard hull features a large cabin aft with its wardrobe & stowage, its en-suite is accessible going forward. Forward of the en-suite is storage and the front loader washing machine with a further bench storage adjoining. Opposite are sliding doors to a large storage space which could optionally be used as a sea berth. Forward is the large cabin with the bathroom forward.

PORT HULL

Port hull has the largest cabin in the boat aft, with copious storage & bathroom. Forward is the oven on the exterior of the hull with a workbench / storage forward. On the inside of the hull is more storage, the freezer, the freeze/ fridge/freezer danfoss compressor units (ventilation improved over standard with 12v fans fitted) the forward cabin is mirror image of the port side.

SALOON

The saloon has the galley up (with oven, freezer & extra stowage in the hull), nav table & saloon area. There is ample headroom and space throughout and as a true sailing catamaran is ready for a live-aboard, Mediterranean escape or circumnavigation

Remarks :

ALLIAURA MARINE Privilege 465 Multi-Hull Cruiser
