### **LAYOUT**

The Maestro version of this yacht offers one generous owner's cabin in the starboard hull with a private en-suite bathroom. The port hull provides two spacious guest cabins, each with its own private head, ensuring ample privacy and comfort. The saloon and galley are on the same level as the cockpit, with a large sliding bay that creates a seamless indoor-outdoor living space.

## HISTORY

This Fountaine Pajot Orana 44 Maestro version has primarily been used as a family cruiser, sailing approximately 10,000 nautical miles from Europe to the Caribbean. It has never been chartered and has been berthed ashore most of the time. The boat underwent a full service and warranty check-up at the Fountaine Pajot factory in La Rochelle in 2012. It has been cruising in the Mediterranean ever since. Regular maintenance and upkeep, including new bottom paint and hull polishing in June 2023, ensure that it is ready for its next adventure.

### Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

### Remarks :

Fountaine Pajot Orana 44 Maestro is 3-cabin owner's version, featuring a larger head and shower located forward in the starboard hull. Its unique walk-around master berth provides exceptional comfort for owners. Recognized for its sailing performance, this Fountaine-Pajot design boasts a low center of gravity and 1,200 sq. ft. of sail area. The spacious cockpit with a large table for eight seamlessly connects to the saloon and galley through sliding doors, creating a light and airy interior with excellent ventilation.

Designed for both cruising and liveaboard comfort, this well-maintained Orana 44 Maestro is ready for new adventures. With easy access from the helm station and spacious transom steps for water access, this catamaran offers the perfect blend of comfort, performance, and functionality. Powered by two economical Yanmar 39hp diesels, she cruises effortlessly at 8 knots under power and is equipped for short-handed sailing. Don't miss the opportunity to own this highly sought-after vessel.
