## Accommodation

The Cuddy Cabin is surprisingly spacious for a 19ft craft. There is ample headroom when seated. There is an infill which turns the cabin into a double berth, ideal for an over night stop, having an afternoon nap, or taking a rest from the sun. The entertainment is provided by a CD/Radio and there is also a portable toilet.

Remarks :

The 2006 Discovery 192 is the first of the upgraded and modern designs from the Bayliner range.

She is a very versatile vessel offering a range of water based activities from water skiing, wake boarding, fishing, swimming to pleasure cruising.

Whether you plan to be coast hopping, river cruising or big lake boating she comfortably accommodates 6. There are twin back to back lounges and 2 jump seats either side of the engine bay. The cockpit again shows the versatility of this design, with the twin lounges lying to make a sunbed, the jump seats can be raised to form a stern platform, or removed to allow 2 fishing stands.

This sports cruiser is one of the best in it's class, with a cruising speed of 28 mph, she is light and easy to handle. With the added bonus of the Cuddy Cabin she is also ideal as a night over boat. She comes complete with a 2 Wheel UK braked trailer.

Priced at £13,500 she offers an ideal opportunity to get out on the water this year.
