The masts are approximately the same length as the hulls to facilitate trailing the craft with safety. The bowsprit "unplugs" and everything stows on board

Accommodation

The twin cockpits are laid out to enable a group to enjoy the cruise or with everything to hand for a single-hander.

2 Berths
HI Gear camping stove with 1 burner
Galley with fresh wash water and washing bowl
PortaPoti
Ample stowage

Remarks :

The British built North Quay 19ft Dayboat is evocative of 18th Century naval cutters and gigs and this is a modern version of a Historic craft. The ease of handling and reefing gaff sail, together with the traditional appearance works well with the hull shape. Sailing enthusiasts will enjoy the versatility she offers on rivers and estuary's and short coastal hops. She is a versatile craft and comes complete with Cream Canvas Cockpit Tent, Brednerup trailer and is ready to trail or sail away. Beautifully maintained and a lovely shaped craft she is open to reasonable offers to someone looking for a classic day sailing craft.
