Remarks :

Gladys May has a large self draining deck, enclosed wheelhouse and comfy cabin, which make her an ideal fishing boat or a family day/weekend cruiser. The reputation of the Trusty 21 is a safe and seaworthy vessel. Her displacement hull is ideal for the river and estuary waterways and the great sea keeping ability will see you coastal hopping too. Known for economical fuel use, approximately 1 hour cruising to 1 litre of fuel from the 2002 Beta marine diesel engine.
