Accommodation

"Seahorse" has six berths, the master cabin having an "island" double berth with "ensuite" access to the heads, which has pressurised hot & cold water to the shower & hand basin, together with a marine WC. The second cabin features two full size single berths, that can convert to a large double bed. This cabin also has access hatches for engines and the fresh water tank. All cabins have lovely polished wood cabinetry with storage cupboards & hangers.

Companionway steps lead up to the saloon, the port side saloon seating area can be

converted to another double bed.

The saloon has plenty of room for comfortable family trips away and has an abundance of storage compartments for everything needed for these trips. A flatscreen TV & FM/AM Radio is located to starboard.

The galley opposite has a stainless steel sink with hot/cold pressurised water supply, a two burner gas stove and oven, grill and a 12 fridge replaced in 2008

The helm is located on the starboard side and has full instrumentation for the two engines including EDC (fly by wire) gear/throttle levers, thruster controls & navigation screens. There is a double co-pilot seat opposite the helm with chart table.

Patio doors lead out into the cockpit and steps lead up to the Flybridge, which has full engine & thruster controls.

The vessel is fitted with an eberspacher cabin heater serving the 3 cabins.

Remarks :

For Sale is our 2001 Beneteau Antares 1080 Flybridge cruiser,
"Seahorse"

"Built to go far and go fast, in comfort and total safety" was the Beneteau design team's brief for the new Antares 10.80. Her twin diesel engines and generous cruising range ensure well-mannered performance and optimum power. One of a very few Flybridge Cruisers that are shaft driven, a great sea boat.

As one of the largest Beneteau Antares, this boat is hugely flexible, an ideal family cruiser or for the serious fisherman. Boasting a huge fishing deck, flybridge and twin engine compliment; she is everything you could need in a boat. Being one of the larger Antares boats, she also has full standing heads and shower unit, twin cabin and a large open deckhouse. Part ex welcome & finance available

"Seahorse" has been lightly used and is offered in fabulous 'turn-key' condition
