Remarks :

'Ginkhaya' is a beautiful example of the Searay Sundancer 280 sports boat - fitted with an economical and sought after Volvo Penta KAD44 260hp Turbo Diesel Engine. She has had a lot of money spent making sure she is mechanically perfect, and is in lovely condition throughout.

She will sleep 6 in 3 cabins. She has a Double Stern Cabin, Forward V Berths (Double) and the Saloon also converts to a double. Single heads, with Sink, Toilet and Shower. Hot and Cold running water, and a fully functioning Galley make her the perfect weekend/cruising boat.

Her only downfall is her cover could do with some TLC or replacement. She has been priced accordingly with this in mind.

Currently afloat outside our office at Milford Haven. We have extensive knowledge of this boat and welcome all viewings. Viewings are highly recommended to appreciate how much this boat offers.

Lay afloat at Milford Haven, Pembrokeshire. Finance, Warranty and Insurance discounts available.
