Accommodation

A large double bed (Cushions still in new wrapping) can be found in the cabin, underneath the sun bed deck.

In here you will also find a chemical toilet. Accessible by the large sliding door.

Plenty of seating in the cockpit, and a folding table for passengers. A large sun bed is fixed to

the front deck, which gives a lovely area to relax on.

Remarks :

Capelli CAP 21 with a Mercury Verado 150 - Very Low hours

The manufacturers describe the Capellia CAP 21 as the embodiment of pure adrenaline! I would agree with this statement.

A 2014 Mercury Verado 150 pushes this boat to around 35 knots with ease, and couple with that you have comfort, style and most importantly a safe, stable ride.

On the fore deck, you will find a large sun bed, further aft boasts ample seating for passengers, helm seat and a unique styled folding table.

From the aft deck, you can enter the small cabin via a sliding door. Here you will find a double bed and a chemical toilet.

'Lisa' has had very little use, and is an exceptionally good buy for someone who wishes to have a new boat for a second-hand price. The cabin cushion still has their original wrapping on them.

Currently lying on its own trailer in Milford Haven in our storage yard.
