Quicksilver

Quicksilver 630

Broker Remarks

Quicksilver 630SD - Fitted with a single Mercruiser 1.7 Diesel engine, mated to an Alpha 1 Sterndrive.

'Calisa' is a very rare example of the Quicksilver 630. Her diesel engine will push her to 28+ knots, and will be extremely economical on fuel when compared to a petrol powered alternative. Very low hours - only 358, and serviced annually.

She boasts loads of space on the aft deck for fishing, and a small cabin forward which gives an ideal space to hide from the elements, to store fishing gear or just sit and have a cup of tea! Blow air heating for winter use.

A live bait well at the aft of the boat is perfect for keeping fresh bait.

Well looked after, and currently afloat ready to fish.

Comes complete with a fully refurbished twin axle road trailer and various electronics (VHF, Fishfinder, Chartplotter)

Accommodation

Small cabin, consisting of:

Forward V Berths / Seating area
