Remarks :

'Serenity' is a lovely example of a Beneteau Antares 6.8m complete with a fully serviced Suzuki 115hp 4 Stroke Outboard Engine.

The Antares 6.8 combines a large aft deck - perfect for fishing or socializing, with a generously sized cabin boasting a small galley, dinette area and double berth in the bow.

Perfect for lazy weekends on the water or for taking friends out for a comfortable fishing trip!

As with all Beneteau boats sea keeping is excellent, build quality is second to none, and the finish is beautiful. The large leather effect helm seat makes helming the boat extremely comfortable, and the dinette gives comfortable seating for your guests.

Very well maintained (2017 Service and Antifoul), this boat is ready for a Summer full of fun! Currently lying ashore in our brokerage yard in Milford Marina
