Remarks :

'Whispers' is a lovely example of the popular Westerly Sea Hawk 35. A fantastic all round family cruising boat, with very comfortable accommodation.

Cast Iron Bilge keels allow her to dry out level in a drying harbour, and make time ashore a breeze. She is a big, solid boat giving excellent sea going capabilities. She has recently completed a journey home from France, and is now lay ashore in Milford Haven available for viewings.

The current owner has meticulously cared for her, subsequently she is in very clean condition and ready to cruise.

Her hull has been coppercoated, however the Copper finish is coming to the end of its life, and showing some blisters.
