Remarks :

'Gone With The Wind' is a fine 2005 example of the popular Beneteau Oceanis 323 Lifting Keel cruising yacht. She has been cruised for the past 8 years by her current owners, and is sadly up for sale.

She offers generous living accommodation for her size, with two double cabins, spacious and airy saloon and galley, and a heads which would look in place on a 50ft yacht!

A Yanmar 21hp Diesel engine has been looked after and is in very clean condition. Serviced late 2017. Her sails are also in good condition, and with her range of electronic navigation aids she is ready to cruise.

Viewing is highly recommended. Currently ashore in Milford Haven, Pembrokeshire.
