Remarks :

Amarante is a 1981 example of the Catalac 8m, presented in good condition ready for a quick sale, complete with a **good 2016 Survey**.

She is a lovely example of these ever popular cruising Catamarans and has been well maintained by her current owner, who is an engineer himself.

She has been fully serviced over winter 2017/2018. Only 696 engine hours recorded (1997 Beta 35hp), the engine and leg are still looking in great condition. Her hull has been antifouled and is ready for launch.

Priced very competitively for a quick sale.

Currently lying ashore at Network Yacht Brokers Milford Haven, and available for viewings. 01646 278270.
