## Remarks :

A fantastic opportunity to own a much loved **2014 Bayliner 175 GTE** with a Mercruiser 3.0 TKS having only 70 Hours running time to date and driven by an Alpha One leg giving approximately 135HP.

Built in December 2014 and commissioned in March 2015 with the grey special edition hull colour she has been well maintained being regularly serviced and winterised every year, and

kept on the dry stack, she was de winterised in March this year and is ready to put in the water and go.

This boat has been used locally within Poole Harbour and in Swanage and Poole Bays she is a vary sociable boat with a Large bench seat, helm and navigators bucket seats and a V seating arrangement in the bow, she has carpets with press studs making it easily removable and a large extended bathing platform with swim ladder, ideal for water sports, although the owner has only used her for social cruising

Her name "Machli" has been taken from probably one of the most photographed tigers in India it is a Hindu name meaning fish which was based on the marking on the tigers head.
