Remarks :

A stunning example of a 1997/98 Fairline Targa 34 she has lovingly undergone extensive refurbishment including but not limited to both engines being rebuilt, including new superchargers, turbos, heat exchangers, and bow thruster, duo props, bilge pumps and batteries, whilst also being kitted out with updated electronics such as Quantum Radar and Raymarine Axiom touch screen chart plotter, along with finishing touches such as new Permasteak on the bathing platform, new cockpit canopy, new fridge, new toilet, and Webasto hot air system fitted for those cooler nights along with a new Calorifier and a new anchor.

A fast, stable boat suitable for cruising over to Jersey for a weekend or used as a day boat, ideal for entertaining family and friends with a spacious cockpit area and a full cockpit canopy that can be removed in the nice weather to allow the sun to brighten up the party atmosphere, or keep closed to protect you and your guests from the chill of the wind.

With two cabins she can accommodate 4 people to sleep comfortably on board.

A must see boat that is sure to be snapped up.

Call now to book an appointment.
