

Sadler Yachts Sadler 290

Year: 2010
Location: Dublin
LOA: 29' 2" (8.90m)
Beam: 10' 8" (3.29m)
Draft: 4' 6" (1.37m)

Remarks:

The Sadler 290 is a spacious bilge keel yacht available in Dublin. It is a disappointment. Foll 6'+ headroom and with all the features you would expect from a yacht in this price range. The boat is in excellent condition line and finished by Lauren

C 20 minutes from Dublin Airport so day return viewing possible.
This yacht will not disappoint.

Remarks :

The last of the Sadler yachts the 290 designed by Stephen Jones.
Bilge keel and probably the best bilge keel yacht to windward.
With six berths and full 6.3" headroom this yacht is stylish, practical, comfortable, well equipped and sails beautifully.
Ease of handling and chunky reassurance with speed, power and balance.
Buily by Rampard Yachts to the quality of which Sadler Yachts are accliamed and finished by Lauren Marine.
This is the very last of the quality Sadler range of yachts.
Viewing will not disappoint.
