Used Description

As with all the established favourites in the Cornish Crabbers range, the Cornish Shrimper combines the best of modern design and construction techniques with the sheer practicality of traditional gaff rig to ensure really outstanding ability under sail. Features such as shoal draft, excellent accommodation for her size, trailability and effective auxiliary power from either a 4 or 5 hp outboard motor extend her versatility. And for those owners who wish in addition the considerable and unobtrusive power of an inboard engine - available at the touch of a button - the Shrimper Inboard version provides the answer. Ideal for negotiating long tidal channels to open water, for driving through a tough head sea or for just pottering in the evening calm, the Shrimper has her place. - Sparkling performance under sail or power. - Room for four crew. - Comfortable berths for two in the cabin. - Optional cockpit tent provides extra shelter and extends covered space. - Easily trailed by the larger family car. - No need to leave the car at home. - There's a choice of road trailers - even a launch trailer. - No need to leave the car where road wheels and brakes need never be immersed.

- Can be rigged (including inboard) for either 4 or 5 hp outboard motor. - Rudders and controls are led back to cockpit. - A roller reefing jib is standard. - A roller reefing jib is part of the standard equipment. - Choice of outboard or inboard engine. - 4 or 5 hp which gives economy in fuel costs. - A roller reefing jib is part of the standard equipment. - Deep cockpit for stowage of ground tackle. - Tough construction. - Heads.
