The **HABER 660M** is a comfortable displacement motor yacht. It is the right yacht for both short cruises on coastal waters and for longer journeys on inland waters. Due to the harmonic lines of the hull, the HABER 660M offers exceptional course stability and excellent manoeuvrability. It is suitable for inland and coastal waters. The high and well-glazed superstructure provides for a standing height in the cabin of 1.85 m and an exceptional visibility during navigation. The yacht has the CE certificate in category C for coastal navigation and it cannot capsize. The layout of the interior guarantees comfort unequalled by any other yacht this size. HABER 700 MSD provides ample storage space. In the forepeak there is a double berth, and the other one, also double, is located in the cabin after lowering the table. There also is a comfortable galley and head, optional with shower..

The HABER 700 MSD enables up to 4 people to be accommodated. The propulsion system drive is a stationary Diesel engine (5-25 hp).
