Remarks :

Regal 2665 Commodore sports cruiser for sale. Regal is a quality, well regarded motor yacht builder from Florida, USA. 'Vacation' is an fine example of the **Regal 2665**

Commodore with the Ocean Trac hull for extremely stable sea keeping. Three owners from new and no expense spared maintaining her to a **very high standard**. The single Yanmar 240hp diesel engine has **only 617 Hours** giving good performance combined with excellent economy.

The current owner is selling as he is upgrading to a larger boat. He has cared for 'Vacation' and ensured she has been maintained and serviced annually. Service history available. A very nice example offering excellent value for money at the asking price. A boat certainly worth viewing - you won't be disappointed!

The boat is currently afloat at Titchmarsh Marina and available for viewing by prior appointment. Contact us today for further details and to arrange viewing!
