Accommodation

The interior is finished in light American oak wood. She can sleep six people in 3 cabins including a saloon sea berth. Air conditioning is fitted throughout, driven by a new sea water pump replaced in 2018. This is a reverse cycles system so in winter it will heat the boat.

Aft Cabin fitted with a queen size double bed and with side access shr has excellent cupboard space, and large hanging wardrobes. Radio and TV connection, Italian side lights and several mains 240v sockets finish the cabin perfectly. En-suite Heads and Shower with wash hand basin and, mirrored cupboard along with Corian work surface compliment the luxury finish.

Forward Cabin with large double bunk, cupboards, hanging wardrobe. En-suite large Heads and Shower with wash hand basin and, mirrored cupboard, hot and cold pressurised water. Corian work surface, red night light shared with:

Single cabin to starboard - full-length single bunk.

Saloon with comfortable seating for six round table with extension section, bookcase, cupboard. Air conditioning, Sony Television, Radio, Lee cloth to 'sea berth' on back cushions.

Galley

Corian work surface throughout
Deep top loading refrigerator (with keel cooler)
Nelson 2 burner hob, grill, oven cooker – 2011
Microwave oven
Draining board & two sinks.
Hot and cold pressurised water via calorifier and 240v immersion heater.
Various cupboards, draws, and stowage facilities suitable for extended cruising.
Red night lights.

Remarks :

This yacht is a nice example of the much sought after Westerly Ocean 43. She is lying in

the north of Barcelona, Spain and has a good inventory. We visited this yacht in July 2018 and found the interior woodwork and trim to be in good condition for a yacht of her age. She is part one registration, design category 'A' for boats on extended passage where conditions exceed Beaufort 8 and wave heights in excess of 4m.

We recommend viewings. We provide also a video of the boat in our YouTube Channel Network Yacht Brokers Barcelona.
