## Remarks :

*KinniRossi* is an excellent example of a Jeanneau Sun Odyssey 39i two cabins, version built in 2007, presented today in great condition. The third and current owner bought her in 2013. This is the Owners Version of this popular model having an oversized stand-alone, walk-in power shower compartment. Walk through the shower room and you will find a massive storage locker. Being the owners' version, she has a larger rear cabin. the current owner has been adding the inventory kit for cruising in The Med.

What the owner says about KinniRossi:

*"She is spacious, comfortable, safe, easily handled by two. Additions include AIS (2015) two large flexible solar panels (2018) that zip into the Bimini, providing all electric power when sailing and at anchorage, plus a stunning Hyde, Asymmetric Spinnaker (2018) which provides astonishing speeds in very light airs - people think we have the engine on!"*

Viewings are available by appointment exclusively through Network Yacht Brokers.
