## Remarks :

Sold new delivered and commissioned to the South of France in 2010 she is one of the most popular large model cruising yachts Beneteau has ever made. It is easy to see why as this yacht caters for every occasion but is best suited for blue water cruising or just relaxing with friends and family along the Mediterranean coast.

Being a multi cabin version, she will sleep eight people in four cabins and has a sizeable convertible saloon table that is big enough for two guests. A separate seating area with coffee table also fits into this well-appointed saloon.

On Deck, she has all the equipment one might need for serious cruising including an electric winch on the coachroof and a skippers cabin up in the bow. The skipper's cabin also has a sea toilet and sink. So in total, she can accommodate up to eleven people in comfort.

Exclusively for sale through Network Yacht Brokers, we recommend a viewing of this beautiful yacht.
