Fjord 40 Cruiser

Broker Remarks

Fjord 40 Cruiser – A Perfect Blend of Innovation and Luxury (VAT Paid)

Location: Ibiza (with optional mooring)

The **Fjord 40** Cruiser offers an exceptional experience on the water, merging contemporary design and advanced engineering. Built with meticulous attention to detail, this cruiser's distinct silhouette, designed by renowned yacht designers, reflects its dedication to aesthetic appeal and functionality.

Exterior and Open Deck

The exterior of the Fjord 40 Cruiser is designed to provide maximum enjoyment. The opening roof over the cockpit brings natural light and open-air comfort, allowing you to experience the sea breeze fully. Ample lounging space, a sunbathing area, and versatile seating arrangements make this cruiser ideal for socialising with family and friends or enjoying a quiet day on the water. The hydraulic platform at the stern ensures effortless water access for swimming and watersports, adding to the boat's functionality.

Latest Services and Maintenance

The most recent works include:

- Replacement of the two turbo compressors
- Replacement of the two volumetric actuators, the IPS control unit and the right IPS cabling
- IPS SX review
- Replacement of the right engine starter motor
- Ordinary annual maintenance with replacement of engine oil, oil filters, fuel filters, and anodes
- Replacement of the electric windlass motor
- Installation of new engine starting batteries

Additional current maintenance in progress:

- Replacement of oil and fuel filters
- Cleaning of intercoolers
- Application of antifouling (hull protective coating)
- General inspection and full service of all technical equipment
- Engine oil and IPS system oil change

This comprehensive maintenance guarantees **the Fjord 40 Cruiser** is fully prepared and ready to sail, offering performance and reliability to its next owner.

Accommodation

Interior Comfort and Luxury

Step inside the elegant interior, where **two well-appointed cabins** provide sleeping accommodations. They feature top-quality materials and modern design elements for a refined yet cosy ambience. The **master cabin** and a **guest cabin** offer comfort and privacy, while the full-sized **bathroom** has high-end fixtures and a spacious shower.

With a **generator** and **air conditioning** system onboard, you'll enjoy all the conveniences needed for more extended stays. Whether anchored in a quiet cove or cruising along the coast, the Fjord 40 Cruiser ensures you and your guests are comfortable in any setting.

Disclaimer

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Mechanical and Rigging

Engine and Performance

Powered by **Volvo Penta IPS 600 engines** with **700 hours**, the Fjord 40 Cruiser delivers outstanding efficiency, manoeuvrability, and speed. The IPS joystick steering ensures smooth docking and handling, giving even novice captains confidence. With this advanced propulsion system, you enjoy a quieter ride and impressive fuel economy – perfect for those longer trips along the coast.

Additional Features and Amenities

Designed for complete autonomy, this Fjord 40 Cruiser includes ample storage, a well-equipped galley, and an ergonomic layout to maximize functionality. The cruiser's **mooring availability in Ibiza** offers a unique opportunity for those exploring the Balearic Islands.

With **VAT paid** and impeccable maintenance, this Fjord 40 Cruiser is ready to embark on new adventures. Experience unparalleled style, comfort, and capability on the water with this exceptional vessel.

The dinghy on the bathing platform is included.
