## Remarks :

The design of the **Beneteau oceanis 440** is based on efficiency and volume and for its time was sophisticated and, of course different.

The **Oceanis 440** is very comfortable, easy-to-handle and can go-anywhere cruising. The design by Bruce Farr features a high-aspect masthead rig and a stable hull form marked by Farr's signature fine entry forward with wider sections at the middle of the boat brought well aft. At almost 45 feet this Beneteau has enough size and power behind it to provide drive in light conditions; which pays big dividends in light wind, and even bigger dividends in the heavier stuff. This **Beneteau Oceanis 440 for sale** is in very good condition. She has 3 owners and the actual ones bought her in 2013 and and has had various refits and updates. The antifouling and motor service are done yearly.
